## More Than 400 Farmers in Kentucky Alone Are Planting My Seed Corn

### Neal's Paymaster Germination Guaranteed 95 per cent or Better

NEAL'S PAYMASTER is the answer to the Government's request to grow more corn. It is sure-cropping, heavy producing, early maturing. This year's crop depends upon the seed you plant. Don't take chances with untested or low testing, unknown varieties. Be advised by farmers who say that they would have averaged twelve bushels more per acre had they planted NEAL'S PAYMASTER. On a forty acre field that means \$1,000 more profit for you.

#### HERE IS NEAL'S PAYMASTER'S

##### 1917 RECORD:

HIGHEST 1917 record for MAURY,

my home county-- 122½ bushels.

Made by Mr. WILL CALVERT.

On a number of other farms, the

average was upwards of 100 bushels.

Mr. HILL McKibbin, on a large

field, averaged 90 bushels.

The Seed Corn I am offering you is all

from the Calvert and McKibbin

farms.

#### Some More of my Customers:

Middle Tennessee Experiment Sta-

tion, after test showing 100 per cent

germination, bought 30 bushels of

NEAL'S PAYMASTER.

Hundreds of Farmers, besides those

in Kentucky, in the twenty-five

great corn growing states.

NEAL'S PAYMASTER is the stand-

ard two ear corn. White grain,

small red cob, medium stalk, matures

in 100 to 110 days. Uniformly

makes large yield.

Your order will be shipped within 24 hours after receipt of order. No waiting for carload order. No uncertainty. No red tape. No depending upon Boards that have to go out and buy the corn after they get your order. No uncertainty as to variety. I have the corn on hand and I sell you the incomparable NEAL'S PAYMASTER, the great two ear corn, guaranteed 95 per cent germination. The highest testing seed corn on the market. Send your order today.
